REVIEW COMMINDATIONS			
<p>I would like to commend Denise Brown and her staff for absolutely one of the best food service programs in the state. The kitchen was very clean and organized and all of the staff were well versed with food safety practices. This was a wonderful review and it is apparent Denise and her staff work very hard to make sure the students have a nutrition balanced meal each day.</p> <p>I would also like to commend Denise Coakley for all of her hard work and efforts at using our state data base "Primero Edge", this not only made the application review a breeze but there were no errors to report. Everything was perfect! You ladies do a fabulous job running the National School Lunch Program!</p>
